Attention!

The new cycle for Kroger Community Rewards begins May 1st and we need you to **re-enroll** beginning April 1st and running through April 30th.

This year MMPA has earned **\$1536.10** from your Kroger purchases!

The Kroger Community Rewards Program is a leading fundraiser for the MMPA. This money helps to offset the expenses of bus transportation for field trips and various MMPA events. The entire school community benefits from the success of this program. Your help is needed for Mercy to receive the funds.

You must **re-enroll** your Kroger Plus Card **or link** your Kroger Plus Card to Mercy Montessori. Here is how:

Please go to www.krogercommunityrewards.com and click the "enroll now" button. Mercy Montessori Center's organization number is: **80122**. This is a great "passive" fundraiser.
